

T01 - Weekly Report

Team Name: BluSh3ll

Team Members: Mitchell Palmer, Hunter Rowlette, Andrew Chapin, Andre Herrera, Carl Bai

Weekly Leader: Mitchell Palmer

Accomplishments/Activities/Meetings:

- Scheduled bi-weekly meeting with SME for every other Friday at 9am starting next week
- Scheduled meeting time with GMU Mentor
- First Lecture
- Met after first lecture (3hrs) and:
 - o Reviewed old code, what we did last year, what went well, etc.
 - o Assigned what segments of code each group member would complete for the next two weeks
 - o Created group leader schedule (Mitch → Hunter → Carl → Andre → Andrew)
 - o Started coding

Issues:

- Little work done before Thursday due to need of team coordination and work assignment.

Open Action Items:

- Create CLI (M/E/W), config (E/W/H), begin networking (C)

Plans for Next Week:

- Review progress on CLI and networking
- Assign new action items as necessary

Individual Applied Hours / Individual Contribution Matrix:

Name	Hours	Contribution
Mitch	7	Main author for CLI. Week lead.
Andre	6	Assist CLI & config.
Andrew	7	Main author for config.
Hunter	6	Assist CLI & config.
Carl	7	Main author for networking.

Delivery Confirmation:

- Provided to sponsor (SME) via email on 1/23 at 5:38pm [insert screen capture of email].
